

# AFFIDAVIT

Describe in detail the most recent incidents of abuse. The Judge requires as much information as possible, such as what happened, each person's actions, the dates, locations, any injuries, and any medical or other services sought. Also describe any history of abuse, with as much of the above detail as possible.

On or about Aug. 1, 2004, the Defendant walked around my building and called me saying bad words to me, "you bitch," "you're ugly and fat," "I hate you," "You're going to die," etc. He shouted these things to me from outside my apt. and my children heard him.

In the past he has tried to break into my apt., he has hit me, he has forced me to have sex, and he has insulted me constantly. He has been calling me on the phone every day for about a month — sometimes up to 10 times a day, and also leaves messages when I'm not home.

My children are scared of him, especially the younger one and I'm afraid he might hurt me or the children. I am very anxious and nervous and can't sleep well at night worrying about this.
